## 2012 CAMP NURSE / MEDICAL STAFF

A doctor or nurse (preferably a registered nurse) is needed during each summer camp week: day camps/adventure day camps, preteen & youth overnight camps, and overnight mission camp (see dates & schedule on page 2). ### Medical staff are required to...

- be currently be licensed to practice in the state of Tennessee and certified in CPR
- attend a 2-hr orientation session in May to learn about protocols, charting/recording incidents, camper check-in, handling emergency situations, etc.

### The *estimated* number of campers who medical staff are responsible for are:

- 155 day campers and staff per camp week
- 125 overnight campers and staff per camp week

*Numbers will vary based on the campers who are registered.*
