As the deer pants for streams of water, so my soul pants for you, O God. Psalm 42:1

MISSION42:1 SCHOLARSHIP FAQ

- Does the scholarship cover ALL costs?
No. Scholarships are given based on individual need. Any portion of a registration fee which is not covered by the scholarship must be paid by the applicant. Additionally, all campers are required to pay a camp deposit. Occasionally, full scholarships are given in cases of extreme hardship and no deposit is required.
- Where does the money come from?
Scholarships are made possible through direct donations from individuals and organizations and through Deer Run fundraising. Scholarship money does not come from the fees we charge our campers or retreat guests.
- Who is eligible?
All prospective campers or event attendees in financial, spiritual, and emotional need are eligible to apply. Campers or families who have not been given a scholarship to Deer Run or attended Deer Run previously will be considered FIRST; however, applicants who have received assistance in the past may be eligible for scholarships. The scholarship program is not available for groups or churches.
- Am I guaranteed to receive a scholarship?
Unfortunately, we cannot guarantee every request will be granted. Applications are reviewed by the scholarship committee and awards are made based on financial, spiritual and emotional need. We expect to award over \$30,000 to 2012 campers and families who attend Deer Run family events.
- Is filling out the application registering my child for camp or our family for an event?
No. Once we contact you to offer the scholarship award and you accept the award, you must then go to our online registration and register for camp or for an event. Your space will not be held until the amount you owe is received by our office.
- Will I get the camp week I want?
Unfortunately, there are limited spaces available for scholarship recipients, and we cannot accommodate preferences for a specific week of summer camp. Deer Run determines the week your camper may attend based on availability. If you are already registered for a specific week of camp, any scholarship award will not apply towards that registration.
- When are scholarship applications due?
There is no due date for applications. Scholarships will be awarded on a first-come, first-serve basis, so we encourage you to apply early.
